[] enza HOME

 enza HOME

2023 COLLECTION

Enza Home firmly believes human is the centre of design. Main purpose of design is to offer solutions in aesthetic and accessible way.

It means to meet under the same roof with those who add value to every stage of life with their creativity, those who are the source of ideas that will carry life forward, those who shape the transformation of society and add value to its development.

According to Enza Home, the address of design is our planet, which we call our home.

A well-designed home is a well-designed life.

The essence of design at Enza Home is to take shape according to the world inside you, your dreams and expectations.

Because Enza Home is fed by life, experience, nature and the creativity of the whole world in design.

Enza Home knows that every design will only gain the most meaning with you.

 enza HOME

Enza Home is the concept brand of the Yataş Group, presented to the tastes to create new life forms. Shaping life with its wide range of products, from dining room to teen room,

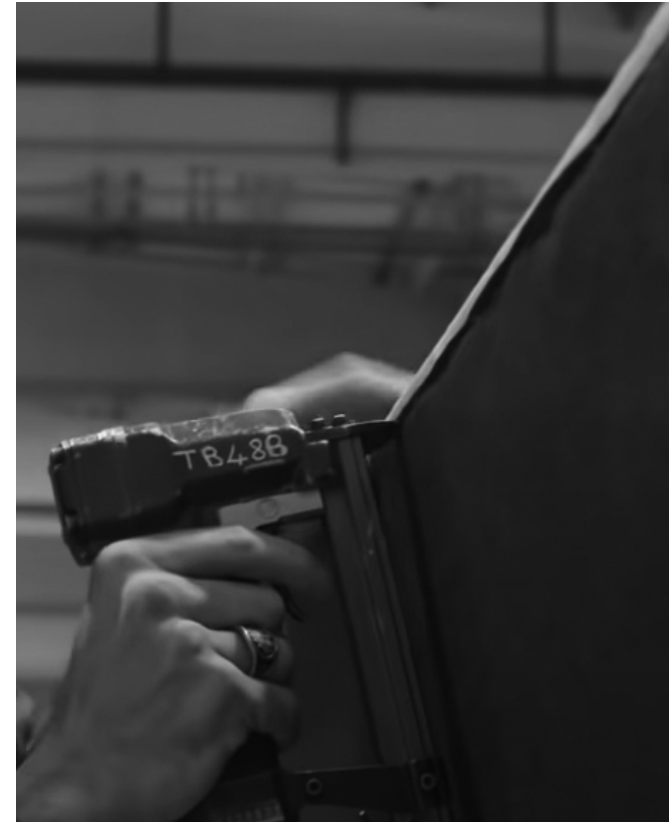

from bed types to textiles and accessories, Enza Home brings the approaches that set quality standards to your home. Enza Home awaits you to add a difference to life with its alternatives

appealing to different tastes, living solutions that offer the most natural state of comfort, and an accessible design approach.

Enza Home products, which meet all criteria of comfort and quality, durability and elegance, accessibility and design, are powered by Yataş Group's years of experience.

Enza Home, which prioritizes customer satisfaction with its wide service network spread throughout Turkey, promises to offer people a lifestyle that goes beyond just a piece of furniture.

Enza Home invites you to meet brand new worlds with its worldwide concept stores.

enza HOME

Enza Home aims to offer and guide consumers a world of decoration by targeting trend leadership in active markets with its innovative, modern, urban and accessible designs.

Enza Home furniture, not only reflects the excitement of a newly purchased furniture to its users, but also continues to make them experience the dynamism of the home with its timeless designs, materials, colours and all other features.

Enza furniture is designed by adapting the latest furniture trends to user habits. Thus, design meets functionality, while users meet the furniture of their dreams.

ENZA HOME IN THE WORLD

Emphasizing modernity, craftsmanship, functionality and quality in its designs, which are admired worldwide, Enza Home is transforming into a global furniture brand with 327 sales points in 36 countries. Enza Home defines its values with design excellence and an innovative approach.

Designs that inspire different cultures

ALBANIA, AUSTRIA, AZERBAIJAN, BELGIUM, BOSNIA AND HERZEGOVINA, BULGARIA, CANADA, CONGO, CROATIA, TURKISH REPUBLIC OF NORTH CYPRUS, GABON, GAMBIA, GEORGIA, GERMANY, INDIA, IRAN, NORTH IRAQ, KOSOVO, KYRGYZSTAN, MONGOLIA, MONTENEGRO, MOROCCO, NETHERLANDS, OMAN, PAKISTAN, QATAR, RUSSIA, SLOVENIA, SOMALIA, REPUBLIC OF SOUTH AFRICA, TURKEY, TURKMENISTAN, UNITED ARAB EMIRATES, UNITED STATES, UZBEKISTAN, MAURITIUS

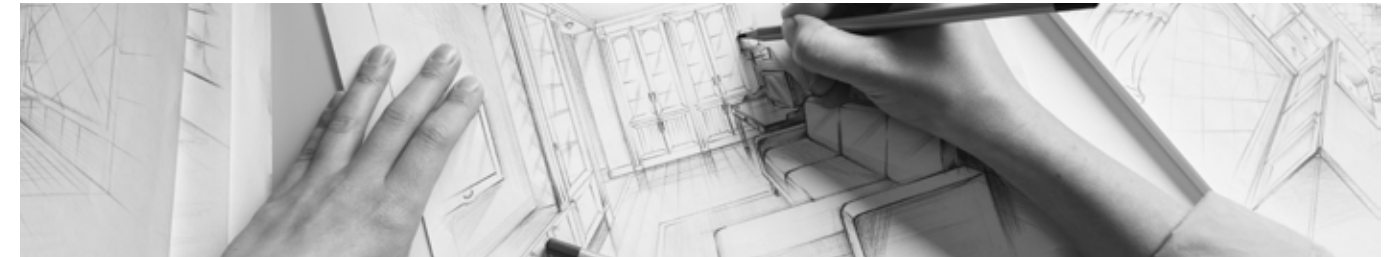

Enza Home DNA

We believe that every design will gain the most meaning with you the most. By combining Enza Home's design philosophy with your needs, dreams and expectations, we bring together all the elements for your story. Along with the 47 years of experience, quality and trust of Yataş Group, we produce accessible furniture with an urban and modern design approach.

Taking inspiration from people in its designs, Enza Home designs living products with high aesthetic quality. Adopting the principle of craftsmanship, uncompromising attention to detail and extraordinary material selection, the Enza Design Team works with the most expert award-winning designers from all over the world. It raises the extra durability and quality standards to the next level by producing 90% of the wooden furniture in its own factories. It provides a wide choice of fabrics in upholstered products and

also extra comfort with its quality filling materials. From module combinations to fabric selections with customizable designs, Enza Home products can be customized to be “you the most”. Interior architects of Enza Home help you create inspiring spaces by giving you special decoration services, whether in your home or in stores. Enza Home is passionate about production and retail business, and constantly works and develops for experience and giving quality service to its customers.

Acting out with the philosophy of respect for human and nature in all works, Enza Home implements afforestation projects for ecological sustainability.

Multi-Identity Decoration with Contemporary Designs

New generation designs that address different usage needs and areas for perfect harmony create personalized living spaces while giving spaces a free, flexible and multi-purpose identity.

Legato

The LEGATO SERIES responds to different usage and decoration needs with 3 different table alternatives as fixed table with metal legs, fixed table with wooden legs and extendable table.

DINING ROOM

LEGATO SIDEBOARD DESIGN,
WHICH CAN BE TURNED
INTO LARGER AND A MULTI-
FUNCTIONAL MODEL WHEN IT'S
NEEDED THANKS TO ADDITIONAL
MODULES, CAN ALSO ADAPT TO
SMALL SPACES BY BEING USED
SEPARATELY.

LEGATO SERIES, providing 3 separate tables; fixed table with metal legs, fixed table with wooden legs and extendable table, is a good solution for different decoration needs.

LEGATO TABLE options, which perfectly adapt monochrome style to different decoration concepts, allow creating stylish and comfortable spaces with marble pattern surface application. While the sculptural leg structure on the fixed metal-legged table exhibits an aesthetic stance, the wooden-legged fixed and extendable table alternatives offer useful solutions.

LEGATO CHAIR, which fits the furniture in the best way with its design that perfectly complements the collection, offers a pleasant sitting experience with its soft back.

Authentic and Modular

GIVING THE OPPORTUNITY TO CREATE COMBINATIONS SUITABLE FOR DIFFERENT DECORATIVE NEEDS, THE LEGATO TV UNIT PROVIDES MAXIMUM FUNCTIONALITY WITH ITS DRAWER MODULES DESIGNED WITH STORAGE.

Jean D
JEAN DAVID DAMONTE
design studio

He was born in Marseille in 1984 and grew up in Genoa, where he studied Product and Communication Design. He has been living and working in Milan, the world's fashion and design capital, since 2009. He worked with Japanese designer Isao Hosoe and then started a long-term and successful collaboration with Meneghello Paoletti Associati where he is currently working on furniture, bathroom, lighting, outdoor projects, etc. as the Product Design Team Leader. Drawing on his experience and knowledge, he founded his own project, JDD, a Milan-based product design studio, in 2019. Many of his projects in partnership with Meneghello Paoletti Associati have been awarded international design awards and featured in publications around the world.

As part of his brand collaboration with Enza Home, Jean David Damonte designed the Nova and Tetra lighting series.

Nova & Tetra LIGHTING SERIES

The foundation of the NOVA AND TETRA LIGHTING SERIES, signed by the world-famous design studio **Jean David Damonte**, is based on luxury and fashion values. In order to achieve an elegant decoration in the interior, NOVA AND TETRA SERIES gain quality by interpreting basic geometric forms together with timeless and elegant details. NOVA AND TETRA SERIES appeal to various decoration styles and tastes with their different combinations and colour applications.

Lighting designs, which have the ability to reach the intended effect in decoration when used correctly, are indispensable for a room no matter how it is decorated. Standing out in the new season with their unlimited variety of forms and materials with the effect of changing trends, pendant lamps, Lamps and floor lamps are ready to be the leading roles in your decoration.
