And A Stylish

SOFA

Versatile Decoration with Ground Breaking Sizes

Enza Home, which creates places with a high aesthetic strength with its designs for the evolving needs of modern city life, brings functionality to the stylish spaces with its next-generation sofa series. Inspired by versatile decoration styles which bring a stylish charm to life spaces, Enlarge Sofas present aesthetic, lean and functional style codes together.

When Enlarge Sofas are extracted, they can turn into a double bed starting from a size of 140 cm and adds a compact elegance to everyday life with extra storage areas, plus they provide a wide range of uses for your family and guests to enjoy. The leading designs of the series, Carino, Brera, Smart Sofa and Corner Sofa Sets combine elegance and comfort, with different forms, stylish colours, 140 cm and 150 cm width alternatives.

Offering stylish and functional designs with its innovative and original approach, Enza invites you to a comfortable world with the Enlarge Sofa Series with dimensions which change the standards.

CARINO

LIVING ROOM

Innovative Decoration Experience

Carino Living Room, which has a modern decoration with its elegant and comfortable design, creates stylish spaces.

While adding dynamic elegance to living spaces with its decorative details which emphasize its aesthetic design, it combines superior comfort with functionality with its easy-to-open-close bearing mechanism, its storage feature that offers extra storage space for Enza. This stylish member of Enlarge Sofa Series, which stands out for its ability to be a double bed with different widths starting from 140 cm, allows you to create inspiring combinations.

Carino Living Room brings the next-generation sense of aesthetic to living spaces with its high comfort and superior functionality.
